FOUR-YEAR PLAN

Office of National Scholarships & Fellowships

2016-17 national deadlines for this selection of competitive scholarships and fellowships are noted below, with campus deadlines indicated parenthetically, if applicable.

- 1. Critical Language Scholarship (CLS):** Fully-funded intensive summer language institutes abroad, including Arabic, Hindi, and Russian. Experience not necessarily required. *November 16*
- 2. Boren Scholarship:** Up to \$20,000 to support study abroad and language study outside Western Europe, Canada, Australia, and New Zealand. *(January 13) February 9*
- 3. Humanity in Action:** Summer institutes in Europe and the US addressing contemporary human rights issues. *January 4*
- 4. DAAD German Academic Exchange:** Funds research, internships, and graduate degrees in Germany, from 3 weeks to 1 year. *Varies by program*
- 5. UK Summer Fulbright Institutes:** Fully-funded 3 - 6 week summer institutes at prestigious UK universities for first- and second-year students. *February 23 or 26, depending on the institute.*
- 6. Udall Scholarship:** \$7,000 scholarships for students committed to conservation and environmental issues or Native American health care and tribal policy. *(January 23) March 15*
- 7. Goldwater:** \$7,500 for undergraduate students committed to a career in STEM research. *(November 28) January 27*
- 8. Amgen Scholars:** Cutting-edge summer research opportunities at prestigious US universities. *February 1*
- 9. Truman Scholarship:** Supports graduate education and professional development of students deeply committed to public service leadership. *(November 28) February 7*
- 10. Pickering Foreign Affairs Fellowship:** Up to \$37,500 for graduate study and training for students committed to careers in foreign affairs/service. *January 13*
- 11. Fulbright U.S. Student Program:** Prestigious fully-funded grants for international study/research/teaching after graduation. *(April, August) October*
- 12. UK/Ireland Scholarships:** Prestigious awards (Rhodes, Marshall, Mitchell, and Gates-Cambridge) to fully fund graduate programs in UK/Ireland. *(April, August) October*
- 13. Schwarzman Scholars:** Cohort-based program built around 1-year masters in China focused on global affairs and leadership development. *(April, August) September*
- 14. Rotary Global:** Grants to support graduate school or projects related to peace, disease, clean water, mothers and children, education, and local economies. *February*
- 15. Soros Fellowship:** Up to \$90,000 of graduate school funding for immigrants or children of immigrants. *November 1*
- 16. NSF GRFP:** Supports graduate school and professional development for STEM students. *October 24*
